Subject: In Support of the Placement of a Health Services District Proposal on the November 2024 Ballot

Dear Chairman Mitchell and Commissioners Wissell and Elsner:

As the President of the Platte Canyon Area Chamber of Commerce, I am writing to express our support to place on the ballot a measure to establish a Health Services District (HSD) for the Platte Canyon area of our County.

I have personally spoken with advocates for the establishment of the HSD and have asked questions that would be pertinent to our Board and Members.

In addition, the Board of Directors of the Chamber, in discussions on April 2, 2024, have examined, analyzed and ultimately concluded, that the matter of establishing such a district should be presented to the voters of our County, allowing them to make a decision on this matter.

We believe that the HSD would ultimately be of benefit to our members, to our community, and to the individual citizens of the Platte Canyon area.

I would encourage you to permit this matter to be placed before the voters.

Thank you for your consideration and attention to this vital matter.

Sincerely,
